

**PEACE (Shalom) Plan in Kenya**  
**Contact: Lolwerikoi@yahoo.com**

Missional witness to Indigenous nomadic Maasai-Samburu of North Kenya with the Love of God

Planting and Praying

**P-Planting**

- Relationship with community leaders
- Interacting with village people to find out their needs
- Identifying water sites and areas of need
- Consulting geologist, hydrologist and government consular
- Informing indigenous leadership about the strategies.

Empowering

**E-Empowering**

- Empowering the identified projects
- Empowering indigenous families with cows, goats, and sheep
- With early childhood developments
- With food preparations like solar oven cooking, drying of vegetables, bee keeping,
- With beads making, and livestock management

Assisting

**A-Assisting**

- Assisting the community with education in the identified indigenous needs
- With Bible Study skills
- With applied organic farming techniques
- With health issues like malaria, water borne diseases, Aids awareness by preserving the oral tradition with the written word.

Caring & Sharing

**C-Caring and Compassion with the Love of God for others**

- With safe clean drinking water
- With the marginalized community: women, children, orphans, the sick, elderly, widows, Aids victim, and refugee camps
- With Holistic care: the mind, body and soul and the environment

Equipping

**E-Equipping** the individuals, community, the church, the village, with holistic ministry: pastoral training, teaching, health seminars, like Aids awareness and early childhood development, organic farming, education, information on different identified community needs.
